

How to view the activity and results of a class

1
Log into Spellzone.

2
Click 'Classes'.

3
Click on the name of the class that you would like to view.

4
Scroll to bottom of page.

5
Select from 'Results for all students:
Course tests, completed pages, Spelling Ability Test,
results overview, activity and logins.'

Note:

You can change the date range to suit your reporting requirements.
You can download a results overview, completed pages, completed units
and spelling test results as excel files.
